## Important information

### Indications

NOTICE: Vi-Tae products should not take the place of qualified medical diagnosis or treatment, nor are they meant to cure any disease or medical condition. Please seek the advice of a medical professional if you are having any chronic skin conditions or medical issues. Discontinue use of these or any products if you experience allergy or irritation.

### Ingredients

saponified oils of carthamus tinctorius (safflower\*\*), and/or helianthus annuus (sunflower\*\*), elaeis guineensis (palm\*\*), and cocos nucifera (coconut\*\*) (with retained glycerin); fucus vesiculosus (bladderwrack) extract, organic undaria pinnatifida (wakame) leaf flakes, aleurites moluccana (kukui) nut oil, aloe barbadensis (aloe) extract, plant derived vitamin E oil, rosmarinus officinalis (rosemary) extract. \*\* Certified Organic This Anti Cellulite soap is Certified 85% Organic, which is as organic as a bar soap can get. \*\* REGARDING ORGANIC SOAP: Bar soaps require sodium hydroxide (NaOH, or lye) for their production. Sodium hydroxide is on the allowed list of non-organic ingredients that can be used in making organic products, and it accounts for approximately 10-15% of the ingredients, by weight (not including water or salt and depending on the recipe). Therefore, even if every other ingredient in bar soap were certified organic, the soap would never have an organic content of more than 90%, as this is the maximum level of organic content in a bar soap.

### Directions

This luxurious, high quality anti cellulite soap is perfect for full-body wash regimen. Using fresh water, rub the soap bar into a wash cloth until a rich lather is achieved. Move lathered wash cloth over skin in gentle circular motions until skin is clean. Rinse thoroughly.

This soap is great! My wife has had a rash for a while. Doctor gave her ointment which couldn't get rid of it. In two days of use with this soap rash was completely GONE! We couldn't believe it. It also has a very nice aroma.

Kind of like sandalwood..It is not cheap but it is worth the money in our opinion. If anyone has read my past

This is the best soap I have ever experienced. It lathers so quickly, feels so gentle on my skin, and looks so clean when I rinse it off. I don't think I'll ever use any soap but Vi-tae Coconut Oil Soap. I would highly, loudly, vigorously recommend this soap to everyone, young and old, male and female. I am 71 y.o. and my skin has not

Great soap, leaves you super soft and clean. The only downside is that its way too expensive!! I mean double to triple the price of other homemade organic soaps.

African Black Soap had lovely fragrance in the shower but leaves no fragrance on the skin. excellent lather, silky feel. also a great bar shampoo for hair (if rinsed thoroughly and used infrequently)  
works great on acne and irritations  
we keep 3 soaps on hand and alternate daily  
Emu Oil, Theives, and this black soap.

CON:  
the bar dissolves very quickly
